What is MassEVIP?

The Massachusetts Electric Vehicle Incentive Program (MassEVIP) is a competitive grant program administered by the Massachusetts Department of Environmental Protection (MassDEP) that provides incentives to municipalities to purchase electric vehicles (EVs) and install Level 2 charging stations.

What will the workshops cover?

MassDEP's workshops will provide potential applicants with: 1) an overview of MassEVIP and the available incentives for vehicles and charging stations; 2) applicant eligibility and program requirements; 3) types of vehicle and charging stations; and 4) the application process.

When and where will the workshops take place?

Five workshops will take place in May and each workshop is expected to last approximately 90 minutes. MassDEP has scheduled workshops in Boston, Lakeville, Worcester, Wilmington, and Springfield on the dates listed below.
